Dear Mr Ramanathan,

I have your D O Letter No 2666/CB of even da regarding the request of Lady Raman for a site for Seva Sadan at Malleswaram The only Government site that I can think of is the large plot of ground opposite to the Industrial Laboratory This piece of land belongs to Government and is now being used as a play-ground by the boys of the Malleswaram School I understand there is an idea of shifting the Malleswaram School itself to this site Barring this I cannot think of any other Government site in this locality

Yours sincerely
